Dear Dr. Putra,

Following the review of Research Article titled "Nano Hydroxyapatite-Gelatin-Based Injectable Bone Substitute with Addition of Streptomycin for Spinal Tuberculosis Case" by Dyah Hikmawati, Hendita Nur Maulida, Alfian Putra and Aniek Setiya Budiati, I recommend that it should be revised taking into account the changes requested by the reviewer(s). Since the requested changes are major, the revised manuscript will undergo a second round of review by the same reviewer(s). Please login to the Manuscript Tracking System to read the submitted review report(s) and submit the revised version of your manuscript no later than Tuesday, April 30, 2019.

To submit the revised version of your manuscript, please access "Author Activities" in your account and upload the PDF file of your revised manuscript. Also, please submit your replies to the comments of the reviewer(s) as an additional PDF file.

Best regards,

Feng-Huei Lin
