Dear Ira Puspitasari, Ferry Jie,

Ref: Submission "Making the Information Technology (IT) – Business Alignment Works: A Framework of IT-based Competitive Strategy"

Congratulations, your above mentioned submitted article has been refereed and accepted for publication in the International Journal of Business Information Systems. The acceptance of your article for publication in the journal reflects the high status of your work by your fellow professionals in the field.

You need now to login at <http://www.inderscience.com/login.php> and go to <http://www.inderscience.com/ospeers/admin/author/articlelist.php> to find your submission and complete the following tasks:

1. Save the "Editor's post-review version" on your local disk so you can edit it. If the file is in PDF format and you cannot edit it, use instead your last MS Word revised version, making sure to include there all the review recommendations made during the review process. Rename the new file to "authorFinalVersion."
2. Open the "authorFinalVersion" file and remove your reply or any response to reviewers that you might have in the front of your article.
3. Restore the author's identification, such as names, email addresses, mailing addresses and biographical statements in the first page of your local file "authorFinalVersion."
4. IMPORTANT: The paper is accepted providing that you, the author, check, edit and correct the English language in the paper. Please proofread all the text and make sure to correct any grammar and spelling mistakes.
5. Save your changes in the file "authorFinalVersion" and use the "Browse..." and "Upload" buttons to upload the file on our online system.
6. Click on "Update Metadata" to correct the title, abstract and keywords according the recommendations received from the Editor. You must make sure that the title, abstract and keywords are totally free of English Spelling and Grammar errors. Do not forget to click the "Update" button to save your changes.
7. Once you have updated the metadata, check the box "Yes."
8. Upload a zipped file with the Copyright Agreement forms signed by each author. We need a signed author agreement form for every author and every co-author. Please insert the full names of all authors, reflecting the name order given in the article.
9. To see a sample of real articles that have been published in the International Journal of Business Information Systems visit <http://www.inderscience.com/info/ingeneral/sample.php?jcode=ijbis>.

Finally click on the "Notify Editor" button to let the editor know that you have completed the six tasks.

Your continuing help and cooperation is most appreciated.

Best regards,

Prof. Angappa Gunasekaran  
Editor of International Journal of Business Information Systems

To: "Dr. Ira Puspitasari" <ira-p@fst.unair.ac.id>

Dear Dr. Ira Puspitasari,

Thank you for submitting your article entitled "Making the Information Technology (IT) – Business Alignment Works: A Framework of IT-based Competitive Strategy" (Submission code: IJBIS-189468) for the International Journal of Business Information Systems (IJBIS).

Your article has been processed to be refereed.

You can track the progress of your article by logging in at the following Web page:

URL: <http://www.inderscience.com/ospeers/login.php>

Username: iraps

Temporary Password: ft67ujhg00

This is a temporary password that you are requested to change at your earliest convenience. You must change your password before you can receive review reports from our review committee.

How long will take to review your article?

This depends on the journal. You should directly contact the editor of the journal if you haven't received any communication from the editor after six months of submission. If you do not receive a satisfactory reply from the journal editor, please contact [submissions@inderscience.com](mailto:submissions@inderscience.com)

There are no charges for publishing with Inderscience, unless you require your article to be Open Access (OA). If you receive an email requesting payment in relation to your article (for example for editing or reviewing services), then you should ignore and delete the email – it is not a legitimate Inderscience email. If you are unsure, you can check with us at: [submissions@inderscience.com](mailto:submissions@inderscience.com)

If you are considering publishing an Open Access article with us, remember that we will never request payment before your paper has been accepted.

Thank you for your interest in our journal.

Best regards,

pp. IJBIS Editor

*NOTE TO EDITOR: Dear Editor of International Journal of Business Information Systems, My name is Ira Puspitasari from Universitas Airlangga, Indonesia. On behalf of my co-author, I am writing to submit our manuscript entitled: "Making the Information Technology (IT) – Business Alignment Works: A Framework of IT-based Competitive Strategy" for consideration for publication in your journal. This paper has been submitted previously to Journal of Systems and Information Technology (JSIT) in November 2016. We have withdrawn the paper because we concerned with the journal activity; it has not published any issues in 2017. We have sent the formal written evidence of withdrawal from the JSIT Editor to submissions@inderscience.com. We have made a significant revision to the manuscript before we submit it to your journal. This manuscript describes original work and currently is not under consideration by any other journal. All authors have approved the manuscript and agree with submission to International Journal of Business Information Systems. We have no conflicts of interest to disclose. Thank you for receiving our manuscript and considering it for review. We appreciate your time and look forward to your response.*
