Judul : Escalation of Osteosarcoma Stem Cells Apoptosis through Extrinsic Pathway after Co-Cultivation Peripheral Blood Mononuclears Sensitized with Mesenchymal Stem Cells Secretome and Colony Stimulating Factor-2 (in vitro)

Manuscript submission

Dear Dr Ferdiansyah Ferdiansyah

Prof. Dr. Fedik Abdul Rantam has submitted a manuscript "Escalation of Osteosarcoma Stem Cells Apoptosis through Extrinsic Pathway after Co-Cultivation Peripheral Blood Mononuclears Sensitized with Mesenchymal Stem Cells Secretome and Colony Stimulating Factor-2 (in vitro)" to our journal Journal of Blood Medicine with you listed as a co-author. As the contact person, Prof. Dr. Fedik Abdul Rantam will receive all email correspondence regarding this manuscript.

Please now complete the disclosure form by clicking on the following link:
https://www.dovepress.com/cmje_col.php?submission_id=305566&author_id=1044291&I=nZuxVbArCFoaehHooenS6GmA1044291

Please note, due to the confidential nature of our correspondence the Conflict of Interest form must be completed by each author individually from their author login. We cannot accept any form completed by, or returned from any author other than the intended recipient.

The purpose of this form is to provide the Editor-in-Chief of Journal of Blood Medicine with important information about your possible conflicts of interests. The composition of this form follows that of the International Committee of Medical Journal Editors (ICMJE) standard and further demonstrates our commitment to the highest ethical and professional standards.

The form is designed to be completed and stored electronically. Each author will receive an individual email like this and should submit a separate form. Each author is responsible for the accuracy and completeness of the submitted information.

Dear Professor Rantam,

We note that you have returned your manuscript to status 4bd for processing. However, you have uploaded only a duplicate copy of the files. Please note that further corrections to the manuscript are required. These are listed as comments in the document.

The Escalation of Osteosarcoma Stem Cells Apoptosis after the Co-Cultivation of Peripheral Blood Mononuclear Cells Sensitized with Mesenchymal Stem Cells Secretome and Colony Stimulating Factor-2 in vitro

Ferdiansyah Mahyudin¹, Fachrudin Arifni Pratiwarsari¹, Mochamad Edward¹, Desikora Ningsombi Utomo¹, Mohammad Hardan Basuki¹, Yonus Abdul Bari¹, Alexander Patena Nugraha¹, Fedik Abdul Rantam¹

Justine Waterson
We note that during submission you have indicated that a video abstract is available. However, no video abstract has been uploaded with your submission. If you would like to provide a video abstract, please email the video to me and I will upload it for you. If this was a mistake, please let me know, and I will correct the submission accordingly.

Justine Waterson
We note that your figures are not yet of sufficiently high quality. Please upload all figures in both quality.

Please address all comments and upload the revised manuscript and figures. Your submission has been returned to 4d to await revisions.

If I can be of any further assistance, please do not hesitate to contact me.

Kind regards,

Justine Waterson

Manuscript decision: Accepted

Dear Dr Ferdiansyah ,

I am pleased to inform you that your manuscript "The Escalation of Osteosarcoma Stem Cells Apoptosis after the Co-Cultivation of Peripheral Blood Mononuclear Cells Sensitized with Mesenchymal Stem Cells Secretome and Colony Stimulating Factor-2 in vitro" has been accepted for publication in "Journal of Blood Medicine".

The article publishing charge of USD 1075 is now payable and an invoice for this amount has been sent to Prof. Dr. Fedik Abdul Rantam.

If you have any questions about your paper please contact me at any time viviennegee@dovepress.com

Yours sincerely

Mrs Vivienne Gee
