Dear Author(s)

I am contacting you with regards to your manuscript that submitted for publication in the Jurnal Ekonomi Malaysia:

Paper ID: 31081  
Title: Production networks and trade patterns in Indonesia: Regional Integration as a path to globalization

At the moment, the manuscript is at the editor's desk for the assessment. After some quick checking, we are concerned that the manuscript has an extremely high similarity index, which is 78% containing 77% which is from the student paper, please decrease this below 30%.

In addition, ensure you have followed JEM format (As attached below)

Please take note that we need to have the revised version immediately.

We are hoping to have the revised version no later than 11 December 2019 and would be pleased to receive it as soon as you are able to prepare it.

Kindly please refer to the attachment. We now seek your clarification regarding this issue.

Dear Author(s),

Thank you for choosing Jurnal Ekonomi Malaysia (JEM) as your preferred journal.

Together with this email, I attached your article after the first round of formatting and typesetting. You are given three days to check this proof. **(Due: July 17, 2020). Your manuscript will be published as it is if we do not receive your corrected proof by the stated period.**

If there are any changes or corrections, please mark it clearly with highlighted areas and a note. Any sign of the corrections shall be made in the proof only.

Corrections and the amendments made focus on typesetting and layout errors. However, the correction of errors at the level of proof shall be limited to the most minimum amount.

Thank you.
