[IEJ] Submission Acknowledgement4 messages

Editor <rerjournal@ait.asia>

3 October 2020 at 12:13

To: "Mrs. Dyah Wulan Sari" <dyah-wulansari@feb.unair.ac.id>

Mrs. Dyah Wulan Sari:

Thank you for submitting the manuscript, "Analysis of Energy Efficiency of Indonesia's Sugar Industry" to our International Energy Journal. If you have carefully followed the instructions in the Author's Guidelines and if your submission satisfactorily passed our pre-screening evaluation, you will soon receive the Official Acknowledgement from our email address with a newly-assigned Official Journal Reference Code (OJRC), which you will be requested to use in all correspondence regarding your submission. Kindly do not confuse the Paper ID (generated by the online submission system) with our manually assigned OJRC.

We will inform you of the pre-screening evaluation results in due course. Thank you for considering this journal as a venue for your work.

Dear Thinzar Win, Tri Haryanto, and Dyah Wulan Sari,

We are pleased to acknowledge receiving your manuscript entitled ***"Analysis of Energy Efficiency of Indonesia's Sugar Industry"*** with an official journal reference code (OJRC): **IEJ 20-10-104**

submitted for possible publication in the International Energy Journal (IEJ). Kindly always use this OJRC in all future correspondence.

Kindly note of the **JOURNAL PUBLICATION POLICY**: All accepted peer-reviewed papers will be asked to pay a nominal processing fee amounting to **10,000 THB** per paper. Only paid accepted papers will be published. Therefore, the corresponding author must indicate his/her agreement to the new policy before the paper can proceed to the review process.

Please indicate by sending a reply email (within 5 days after receiving this email) that you agree to the above **JOURNAL PUBLICATION POLICY**, so that we can move to the next process and forward your paper to our reviewers. Please note that if we do not receive any response, we reserve the right to not forward your submission to our reviewers and your submission is considered withdrawn.

Our IEJ is indexed in the **Emerging Sources Citation Index (ESCI)**, a part of the Web of Science Core Collection of Clarivate Analytics (also known as the ISI Web of Knowledge) and in the **Scopus** database as well.

Thank you for your kind understanding and interest in IEJ.

Dear Editor, IEJ

I am pleased to inform you that I am so glad to have possible publication in your reputed journal. My manuscript entitled "Analysis of Energy Efficiency of Indonesia's Sugar Industry" with an official journal reference code (OJRC) 20-10-104. As a corresponding author, I agree to pay for the Article processing charge (10000 THD) according to your journal. I would like to apologize for the late replying email due to some technical problem.

Thanks for kind consideration.

Best Regards

Dr. Dyah Wulan Sari

Dear Thinzar Win, Tri Haryanto, and Dyah Wulan Sari,

Reference number: **IEJ 20-10-104** (*kindly always use this code in ALL future correspondence with us*).

Thank you for your submission of the manuscript titled "**Analysis of Energy Efficiency of Indonesia's Sugar Industry**".

We have now received the review comments on your manuscript. The recommendation is that you have to do **substantial revisions** on your manuscript for it to be published. For your reference, please find attached the review comment file(s) from **two (2)** reviewers.

1. If you feel that you can substantially address ALL THE COMMENTS, you are requested to send us the revised paper as an MS word document (not PDF) with highlights on the changes made, not later than **30 days (26 February 2021)**. **Otherwise, we request and expect your kind courtesy to inform/notify us of your withdrawal.**
2. Please send a separate sheet/file highlighting the answers to the review comments (*review comment file*). Again, please note that you have to address ALL the comments, point by point. Please refer to the format (**shown below**) in preparing the separate sheet.
3. Also, kindly make sure to **format the list of references** exactly according to the **IEJ format**.

Another IMPORTANT Note: Please submit your revised paper and your response to review comments as **attachments to an email**.

Section in the review comment form	Specific Comment	Authors' response and justifications	Location of modifications made in the paper (page no., paragraph, etc.)
Reviewer 1: A.7. Are the RESULTS and DISCUSSION..... sufficient?	No, needs improvement	XXXXXX	XXXXXX
.....
Reviewer 1: B. SPECIFIC COMMENTS	YYYYYYYYY.	XXXXXX	XXXXXX
.....
Reviewer 2: A.4. Is the statement of the OBJECTIVES.....and appropriate?	No, needs improvement	XXXXXX	XXXXXX
.....
C. If the reviewer wishes to add	YYYYYYYYY.	XXXXXX	XXXXXX

any.....			
----------	--	--	--

Furthermore, we would like to remind you of your agreement to the **JOURNAL PUBLICATION POLICY** (please see below). If you feel confident about your submission of your revised paper, kindly start preparing your **10,000 THB** as the official invoice will be issued. However, please note that this is **if and only when** the paper finally gets accepted.

Our IEJ is indexed in the [Emerging Sources Citation Index \(ESCI\)](#), a part of the **Web of Science Core Collection of Clarivate Analytics** (also known as the **ISI Web of Knowledge**) and in the [Scopus](#) database as well.

We are looking forward to your response.

Thanks for filling out [Acceptance to Review an Article International Energy Journal \(IEJ\) Form](#)

Here's what we got from you:

Acceptance to Review an Article International Energy Journal (IEJ) Form

Congratulations on the acceptance of your full paper.

As a condition of publication in the International Energy Journal, the corresponding authors are requested to assign the Acceptance to Review an Article for International Energy Journal form.

Please confirm your agreement to this by completing and submitting the form below.

The corresponding author agrees to review at least two (2) research article(s)/paper(s) for the International Energy Journal (IEJ). Reviewers are requested to read and provide constructive comments using the standard IEJ review form. Review comments will be returned within 30 days (1 month). The undersigned corresponding author agrees to review related articles/papers falling under the categories below (please tick-mark at least 3):

Email address *

dyah-wulansari@feb.unair.ac.id

1. Date (you are filling-up this form): *

MM DD YYYY

03 / 15 / 2021

2. Please provide the Official Journal Reference Code (OJRC) of your accepted full paper (IEJ yy-xx-xxx): NOTE: If you are a new interested reviewer who does not have an OJRC, please type in IEJ YY-XX-NNN), thank you. *

IEJYY-XX-NNN

3. Please provide your FULL name and title: *

Dyah Wulan Sari, Ph.D

4. Please provide your current affiliation: *

Airlangga University

5. Country, please choose *

Indonesia

6. Email address 1: *

dyah-wulansari@feb.unair.ac.id

7. Email address 2: *

dyah-wulansari@feb.unair.ac.id

8. Please check at least three (3) categories of papers you would like to and agree to review: *

Biofuels

Biogas

- Biomass and feedstock utilization and conversion
- Bioprocesses and bioproducts: biocatalysis and fermentations
- Cogeneration/ trigeneration
- Combustion engines
- Combustion systems
- Computational fluid dynamics analysis
- Electric power systems: distribution/ design and operation/ optimization/ planning & analysis
- Electrical and electronics engineering

Dear Thinzar Win, Tri Haryanto, and Dyah Wulan Sari,

The proof of your article to be published in the International Energy Journal is attached to this e-mail as a PDF file along with the author query form for your reference.

Please use this proof for checking the typesetting, editing, completeness, and correctness of the text, tables and figures. Significant changes to the article as accepted for publication will only be considered at this stage with permission from the Editor.

Methods of returning proof corrections:

1. You may annotate on the PDF file itself.
2. You may list corrections in an email and return to us using the 'reply' button to this e-mail. **Please list your corrections with all information (page, column, paragraph and line number)** just like in the author query form.
3. If for any reason, option 1 is not possible, **mark the corrections and any other comments on a printout of your proof** and **fax** this to the number given in the query form, or **scan** the pages and send to us by **reply-mail**.

VERY Important note: We will accept the corrections **ONLY** from either of the three (3) ways stated above, **please do not provide a new file** of your corrected paper, you have to show the corrections on the **file (proof)** that we have provided or provide the list as stated in Method no. 2.

Please note that it is important to ensure that all of your corrections are **sent to us in one communication**: please check carefully before replying, as inclusion of any subsequent corrections cannot be guaranteed.

Kindly send us your annotated paper by **07 April 2021** as an attachment to your reply to this email (please use reply, **do not start a new email** thread, **or do multiple submissions**). Please carefully read the corrections required and provide as requested. Thank you.

Dear **Dr. Dyah Wulan Sari**,

Subject: **Acceptance of paper for publication, publication fee invoice, and copyright transfer**

Congratulations. We are delighted to inform you that your paper titled "**Analysis of Energy Efficiency of Indonesia's Sugar Industry**" by *Thinzar Win, Tri Haryanto and Dyah Wulan Sari* (IEJ 20-10-104) has been accepted for publication in the International Energy Journal (IEJ), after a thorough review process.

Based on the IEJ's article review policy, your article was reviewed by **two (2)** reviewers, and you and your colleagues now have sufficiently addressed the comments of our reviewers regarding your paper for publication. We, at the IEJ, are also committed to be efficient in the whole process of publication - from pre-screening, identification of reviewers, acceptance of reviewers, review of the article, corrections and revisions of the paper, approval by the editor, and final formatting of the paper for publication. This whole process in year **2020** took an average period of **163 days**, and for your article, it has taken **149 days**.

As per the **Journal Publication Policy** to which you have **confirmed** and **agreed** to pay a minimal publication processing fee upon the acceptance of your article for publication at the IEJ, kindly find attached the **corresponding invoice**. Please process the payment within the allotted duration so that your submission can be included in the **Volume 21, Issue No. 2** of the IEJ to be made available online in **June 2021**.

We are delighted to share to you that our IEJ is a Scopus-abstracted/indexed (0.90 CiteScore for 2019), Scimago-ranked (Q3), ESCI by Clarivate Analytics-abstracted and EI Compendex-listed peer-reviewed journal, so your paper will have a wider potential reach. As we are listed in the ESCI, we soon expect the impact factor in the foreseeable future. The IEJ is becoming increasingly a sought after journal, and we will be increasing the number of articles and issues, but not withholding our commitment to quality.

Please send us a duly completed and signed "**Copyright Transfer Form**" (attached). Kindly also confirm your availability to review articles for our journal by filling up the "**Acceptance to Review Form**".

IEJ: Acceptance to Review Form

Once again, thank you for considering **International Energy Journal** for publication of your work, and we look forward to receiving more publications from you and your colleagues.

Meanwhile, do take care and stay healthy during this period.

Yours sincerely,

Professor S. Kumar

 Dear editor,

I send the revised paper (IEJ 20-10-104), Analysis of Energy Efficiency of Indonesia's Sugar Industry. I here attached three files, Revised paper, Review Comment Form and Tables and Figures. We also revised the reference list according to IEJ format.

Thank you

 Dear Thinzar Win, Tri Haryanto, and Dyah Wulan Sari,

Reference number: **IEJ 20-10-104** (*kindly always use this code in ALL future correspondence with us*).

Thank you for your submission of the manuscript titled "**Analysis of Energy Efficiency of Indonesia's Sugar Industry**".

We have now received the review comments on your manuscript. The recommendation is that you have to do **substantial revisions** on your manuscript for it to be published. For your reference, please find attached the review comment file(s) from **two (2)** reviewers.

1. If you feel that you can substantially address ALL THE COMMENTS, you are requested to send us the **revised paper as an MS word document (not PDF)**, with highlights on the changes made, not later than **30 days (26 February 2021)**. **Otherwise, we request and expect your kind courtesy to inform/notify us of your withdrawal.**
2. Please send a **separate sheet/file** highlighting the answers to the review comments (*review comment file*). Again, please note that you have to address ALL the comments, point by point. Please refer to the format (*shown below*) in preparing the separate sheet.
3. Also, kindly make sure to **format the list of references** exactly according to the **IEJ format**.

Another IMPORTANT Note: Please submit your revised paper and your response to review comments as **attachments to an email**.

Section in the review comment form	Specific Comment	Authors' response and justifications	Location of modifications made

			in the paper (page no., paragraph, etc.)
Reviewer 1: A.7. Are the RESULTS and DISCUSSION..... sufficient?	No, needs improvement	XXXXX	XXXXX
.....
Reviewer 1: B. SPECIFIC COMMENTS	YYYYYYYYY.	XXXXX	XXXXX
.....
Reviewer 2: A.4. Is the statement of the OBJECTIVES.....and appropriate?	No, needs improvement	XXXXX	XXXXX
.....
C. If the reviewer wishes to add any.....	YYYYYYYYY.	XXXXX	XXXXX

Furthermore, we would like to remind you of your agreement to the **JOURNAL PUBLICATION POLICY** (please see below). If you feel confident about your submission of your revised paper, kindly start preparing your **10,000 THB** as the official invoice will be issued. However, please note that this is **if and only when** the paper finally gets accepted.

Our IEJ is indexed in the [Emerging Sources Citation Index \(ESCI\)](#), a part of the **Web of Science Core Collection** of **Clarivate Analytics** (also known as the **ISI Web of Knowledge**) and in the [Scopus](#) database as well.

We are looking forward to your response.

Dear Editor, IEJ

I am pleased to inform you that I am so glad to have possible publication in your reputed journal. My manuscript entitled "Analysis of Energy Efficiency of Indonesia's Sugar Industry" with an official journal reference code (OJRC) 20-10-104. As a corresponding author, I agree to pay for the Article processing charge (10000 THD) according to your journal. I would like to apologize for the late replying email due to some technical problem.

Thanks for kind consideration.

Best Regards
Dr. Dyah Wulan Sari

Dear Thinzar Win, Tri Haryanto, and Dyah Wulan Sari,

We are pleased to acknowledge receiving your manuscript entitled "***Analysis of Energy Efficiency of Indonesia's Sugar Industry***" with an official journal reference code (OJRC): **IEJ 20-10-104** submitted for possible publication in the International Energy Journal (IEJ). Kindly always use this OJRC in all future correspondence.

Kindly note of the **JOURNAL PUBLICATION POLICY**: All accepted peer-reviewed papers will be asked to pay a nominal processing fee amounting to **10,000 THB** per paper. Only paid accepted papers will be published. Therefore, the corresponding author must indicate his/her agreement to the new policy before the paper can proceed to the review process.

Please indicate by sending a reply email (within 5 days after receiving this email) that you agree to the above **JOURNAL PUBLICATION POLICY**, so that we can move to the next process and forward your paper to our reviewers. Please note that if we do not receive any response, we reserve the right to not forward your submission to our reviewers and your submission is considered **withdrawn**.

Our IEJ is indexed in the Emerging Sources Citation Index (ESCI), a part of the Web of Science Core Collection of Clarivate Analytics (also known as the ISI Web of Knowledge) and in the Scopus database as well.

Thank you for your kind understanding and interest in IEJ.

Mrs. Dyah Wulan Sari:

Thank you for submitting the manuscript, "Analysis of Energy Efficiency of Indonesia's Sugar Industry" to our International Energy Journal. If you have carefully followed the instructions in the Author's Guidelines and if your submission satisfactorily passed our pre-screening evaluation, you will soon receive the Official Acknowledgement from our email address with a newly-assigned Official Journal Reference Code (OJRC), which you will be requested to use in all correspondence regarding your submission. Kindly do not confuse the Paper ID

(generated by the online submission system) with our manually assigned OJRC.

We will inform you of the pre-screening evaluation results in due course. Thank you for considering this journal as a venue for your work.
