ACKNOWLEDGEMENTS

Alhamdulillah hirabbil alamin, first of all, I would extend my sincere gratitude to the almighty lord ALLAH SWT, THE GOD of the god in the universe who has opened my strength of body and soul. Second, shalawat and salam to prophet Muhammad saw who has taken me to meet *tabi'in* and *tabi'ina* people in the world.

I still like dreaming that I am English Department student of Airlangga University, because I believe that really the chosen one who stands here. I am proud to give a pride for my mother and father. One day, I promise to give the best for them as a small token of respects, loves and thanks for all they have given.

I would like to thank to my thesis advisor, Ibu Dra. Lilla Musyahda, M.Pd. Thank you very much for considering and advising my 'three months thesis', I want to prove that I really and really work hard to finish it accurately. Pardon me if every week, I always 'hunt' you for thesis consultation.

To all SKI-Ilmu Budaya members in the future, you are really the leaders of Islam, thank you very much which have given me beliefs in *Dakwah*. I always remember our togetherness in each department programs: *Kaderisasi*, *Keputrian*, *Syiar*, *Pelayanan Publik*, *Selastra and Kosmis*. Keep your spirit!. Prophet Muhammad said 'planning is half of life', thus, now, you must plan and manage your feet my friends. That's all for yourself, your family, your friends who have the same spirit, and your ISLAM.

To all LPM Mercusuar members, 'long live for press student'. I am sorry; I can't give you the best because I must choose for our kindness. Though, I can't give you the best but my blood is burned for media. Hopefully, Mercusuar be the center of dakwah media in Airlangga University.

To all LPM Situs members in 2001-2005, I am sorry disappointed you, but you are family in my bottom heart. Though, we have already separated, but I always remember our togetherness in Diklat Jurnalistik Tingkat Dasar and Pekan Jurnalistik Situs. 'When those fire have already extinguished, that fire never dies' 'long live for press student!'

Thanks to mas Gesang and Mira Intansari who become my proof reader, Fachrul Ariesta Rahman as the key of my success, my best friend: Ardian Fima Insana and Faisal Prastia and all of dear my friends in English Department, particularly my master motivator: Ahmad Fauzi Rahman.

Finally, the writer hopes that the study is expected to give meaningful contribution to linguistic studies, especially speech acts which are part of pragmatic subject. Though, the writer has already analyzed as accurate as he can, but it is undeniable that there is lack in sentence arrangement and analysis. Furthermore, the writer expects that the study is continued in the further linguistic study.
