In doing something, a person needs courage to fulfill his/her desire. When writing this thesis, I've given all the courage that I had to finish it on time. However, the courage did not only come from me but also there were lots of people involved. Therefore, I dedicate these words of thanks to those people.

My special thanks go to Yulia Indarti, S.S., M.Hum., my lecturer and thesis advisor. She has encouraged me to finish this thesis on this semester by giving me an ultimatum. Even she can accompany me until submitted time because of hospitalized, thank you for your guidance and encouragement.
