ACKNOWLEDGEMENT

Finally, I wrote this thesis. It is surely such an unbelievable experience to me. Three years journey in Airlangga University has brought me here in the new chapter of my life. Many ‘ups and downs’ I’ve been through during the progress of finishing this thesis. Now, I can proudly say that I’ve been there and I can do it.

First of all, I give thanks to God. All the prayers through Jesus Christ and Virgin Mary always give me strength in stepping my feet into the life. I know You never left me.

My thesis advisor, Bu Masitha, A. S., S.S., M.Hum. is incredible. One of many super women I know. I will never finish this paper without her tremendous patience and her professional guidance in how to do this. Thank you is not enough for this precious knowledge from all the lecturers since I joined the Alih Jalur Class in the evening.

This journey will not come to an end without all the people around me. I can not stop saying my gratitude to my beloved parents for their love, care, support and trust. I also want to thank you to my husband for supporting me always. All this effort is dedicated for all of you.

Thank you will not be enough to all of Alih Jalur year 2007 colleagues. The times we shared inside and outside the campus are meaningful to me.
