ACKNOWLEDGEMENTS

My highest gratitude would be sent to Allah SWT whom, with His infinite blessings, has guided me along this path of Islam. Then through His guidance, I could finish this thesis project with the best way and effort. The second highest gratitude would be sent to Nabi Muhammad SAW who has been a perfect role model for human beings to be a *rahmatan lil 'alamin*.

My sincerest gratitude is sent to my thesis advisor, Mrs. Masitha Achmad Syukri, M. Hum. for her patience and support in finishing this thesis project. I also extend my deepest apology for her due to the laziness, late submission, and procrastination I did during the completion of this thesis.

My dearest gratitude would be definitely sent to my parents, Bapak and Ibuk, who has always been a *true love* of mine since forever. I cannot say thank you enough for your sacrifice and also your guidance to be always consistent in doing *ibadah yaumiyah*. I think I would not find such parents who phone-call their son only for asking if he has done praying and *tilawah*, not if he has done eating. Thank you Bapak and Ibuk for becoming the real heroes of me.

My warmest gratitude is sent to all of my EDSA 2K11 friends for having the up and down of campus life within this four years, especially to *Geng Cikolings*; Riza, Devi, Tika, Windy, Mbek, and Lucky, for having a struggle together for this thesis project. I also say thank you for my *Koral* family who have always

been having an amazing natural adventure without forgetting five-times praying;
Angga, Sabil, Mifta, Juan, Luthfiah, Tifa, Aan, Atik, Indi, Gian, Zidni.

Last, but not least, thank you for your time to read this study. Hopefully,
this is worth-reading.
