My foremost gratitude goes to Allah SWT for giving me life which is full of blessing and also strength to finish this thesis.

I am also grateful to my thesis advisor, Maimunah, S.S, M.Hum., M.A., for all the time that she gives in sharing knowledge, references and everything which is very useful. Thank you for the support that often makes me think that I can do it when I am doubt about myself. My gratefulness also goes to all lecturers of English Department who have shared their knowledge during my education in this college.

The next greatest admiration is for my parents who always respect their children's choice. My gratitude also goes to my sister, my brother in law and their beautiful angel, Ifa who always makes our home cheerful and also for my little sister. My appreciation is also dedicated to my grandmother and my grandfather who are used to accompany me when I am studying.

My gratitude also goes to all my friends in English Department class of 2006 who fill my days for these four years and also my friends during my childhood until high school who give the wonderful friendship.
