ACKNOWLEDGEMENT

Praise God that I have finally finished my thesis. You always pick the best path for me, giving me strength for the upcoming days, and maintain my health when I need it the most. It was not an easy task for me, but I can gladly say that I cherish every moment I have had gone through.

My thanks go to my thesis advisor, Edy Dwi Riyanto, M. Hum, for the guidance, patience, and great advice to help me finish this thesis. I would also like to thank the rest of lecturers of the English Department for their share of knowledge all these times.

Thank you for my parents, for all the love and support. I am so lucky to have you in my life. For my brother, your presence gave a lot of fun. My grandma gave her dedication to the entire family. Uncles and aunties, each of them gave me support in a different ways. My cousins, nephew and niece, someday it would be my turn to help you out.

Special thanks go to all of my friends in the Faculty of Humanities, and all of my friends in Jojoran, and those who help and support me to finish my thesis. Also for my new boarding house friends, TAJIBOYS, I would not make it without each of your unique characteristic that inspires me a lot.
