ACKNOWLEDGEMENT

Finally, I can finish my thesis after I have passed the hardest time. Finishing this thesis is my major concern in this semester. Honestly, it is not an easy task for me; I should put full attention to finish it, and I am pleased when it is done. I realize that by finishing my thesis I learn about how to manage my emotion and how to be wise and patient.

First of all, I would like to give thank to Jesus Christ for His amazing grace, blessing, and loving for my life. It is only because of Him, I can complete this task. Second, I would like to thank my Mom and Dad, my best parent that God has given to me. Thank you for the love, care, pray, help, and support during I finished my thesis. I am sorry for all mistakes I have done. I really did not mean it. For my big family, whom I can not mention all the name, thank you for prays and supports for me.
