ACKNOWLEDGEMENTS

Alhamdulillah... finally I can accomplish this thesis after facing many obstacles that occurred during the process of writing. I would like to say my greatest gratitude to Allah SWT, My Lord, who has given me blessing and the strength to finish this thesis.

My great gratitude goes to my thesis advisor, Drs. Husein Shahab. Thank you very much for everything, Sir. I owe you so much. Thank you for your guidance, patience, and advice. Thank you for making me critical toward anything. I never can finish this thesis without your tremendous aid. My great gratitude also goes to my academic lecturer, Masitha A.S, S.S, M.Hum., who has guided me to choose the right lecture every semester. I also dedicate my gratitude to all of the English Department lecturers in Airlangga University for their guidance and knowledge during my study time.

All my best wishes and gratitude are dedicated to my family, especially to my mom and dad for their love and care. You are my everything. Thank you for your support and your prayer. My dearest sister and brother, Aan and Wisnu. Thank you.

Last but not least, I would like to thank to all of my friends, especially Kumaners who have turned me inside out. Because of these people, 5 years seems shorter than 1800 days of boring study. You are all my walking-books who both guide and enrich me with the joys of knowledge, experience and pleasure.
