Biomarkers of endothelial dysfunction and outcomes in coronavirus disease 2019 (COVID-19) patients: a systematic review and meta-analysis

Dear Dr. Andrianto,

The PDF for your above referenced manuscript has been built and requires your approval. If you have already approved the PDF of your submission, this e-mail can be ignored.

Please review the PDF carefully, before approving it, to confirm it appears as you expect and is free of any errors. Once approved, no further changes can be made.

To approve the PDF, please:

* Log into Editorial Manager as an author at: <https://www.editorialmanager.com/mvr/>.

* Click on the folder 'Submissions Waiting for Author's Approval' to view and approve your submission PDF. You may need to click on 'Action Links' to expand your Action Links menu.

* Confirm you have read and agree with Elsevier's Ethics in Publishing statement by ticking the relevant box.

Once the above steps are complete, you will receive an e-mail confirming receipt of your submission.

We look forward to receiving your approval.

Kind regards,
Microvascular Research

Dear Dr. Andrianto,

Congratulations on having your article accepted.

We have now received your manuscript in production and would like to begin the typesetting process.

Unfortunately we have encountered a problem with the electronic files you provided and cannot process your article further until the following issues are resolved:

* Supplementary tables 1-2 were mentioned in the text, however, e-files are missing. Please provide to proceed. Thank you.

We would be grateful if you could kindly address the problem as quickly as possible, ideally within 48 hours, by replying to this message.

Further information on acceptable file formats can be found at <http://www.elsevier.com/guidepublication>.

Please quote the reference for your article, YMVRE 104224, in all of your messages to us.

Thank you for your help with this issue; I look forward to hearing from you soon.
