Dear Prof Cavalcanti,

I am writing to ask about the status of our manuscript, titled "Angiogenesis of extracted tooth wound on Wistar rats after application of Okra (Abelmoschus esculentus) gel extract" which was submitted on July 19th, 2019.

The system stated that our manuscript is currently in review. Would you please inform us how long does the process take?

I am looking forward hearing from you soon

Best regards,
Muhammad Luthfi

Dear Professor Luthfi,

Greetings!

Don't worry about the status of your manuscript as we are in a transition period as described on the website to adopt the ScholarOne system. Therefore, some information was not up to date.

With respect to your manuscript, it has been accepted for publication as presented. In the coming days, our team will send for editing.

Best Regards,

Alessandro Cavalcanti
