ACKNOWLEDGEMENTS

All praises goes to God; the Almighty Who always gives me His tremendous love, grace, charity and also gives the strength so that I could finally accomplish this thesis. Thank you very much also for Your blessing and answer of all my prayers. You are the supreme, all knowing, all-powerful, and above all, all merciful God that I keep my faith in.

It is somewhat difficult to know where to begin and what to say to express my gratitude and appreciation to many people, but surely, I would like to give deep appreciation to my thesis advisor, Mr. Jurianto M.Ed. for his extremely careful and detailed critical comments, excellent suggestions, supports, and guidance during the completion of my thesis. To Ms. Nurul, thank you very much for the assistance and advice in writing my thesis. To my academic advisor, Ms. Diah, thank you very much for helping me during my study times.

My deepest gratitude would be for my mom. God knows how I thank you for the supports, changes, loves, cares, and of course the endless prayers. For now, I could only dedicate this thesis to you, but I promise that someday I could dedicate much more than this. To all my family, thank you very much

Last, but not least, a special thanks to all my friend of AJ 2006, I always thank God for blessing me with such lovable, energetic, warm, unique, and brilliant friends like you are. I bet there is nothing that could replace all of precious moment that we've spent together and the love and happiness that we've shared.

I realize that this thesis is still far from being perfect. Therefore, I will glad to accept constructive suggestions and criticisms.
