Dear Dr. Luthfi,

NOTE: This e-mail is sent to you as one of the contributing authors. If you are not corresponding author, please co-ordinate with the author designated by your group as the corresponding author for this manuscript

Status of the manuscript titled 'The Efficacy of Okra Fruit Extract on The Expression of TGF- β 1 in The Tooth Socket of Diabetic Wistar Rats' submitted by Dr. Muhammad Luthfi has been changed and a copy of the mail is as;

Dear Dr. Luthfi,

With reference to your manuscript entitled 'The Efficacy of Okra Fruit Extract on The Expression of TGF- β 1 in The Tooth Socket of Diabetic Wistar Rats', please review the comments of the referees from our site <https://www.journalonweb.com/drj>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript from the site along with the point to point clarifications to the comments indicating clearly where in the manuscript the changes have been carried out. Do check the FAQ related to replying to the comments and uploading a file. The contributors' form/images should be sent separately to the Administrative Office of the journal.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it your non-desire to continue the article with us. Please also note that submission of revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Dental Research Journal.

With warm personal regards,

Editor

Dental Research Journal

Remarks:

1-The whole manuscript needs English editing

2-Please write "abstract" and "Reference" parts on the basis of author guidelines.

[DRJ]:JOW - Migration of Data in new System

1 pesan

Dental Research Journal <editor@drjournal.net>
Kepada: m.luthfi@fkg.unair.ac.id

15 April 2021 pukul 03.36

If you cannot see this page properly, please [click here](#).

Dear Dr. Muhammad Luthfi,

Wolters Kluwer Medknow team is pleased to announce the launch of our new manuscript management website <https://review.jow.medknow.com>. Currently, we are in the process of migrating Dental Research Journal and its in-progress articles (accepted) to the new platform.

WHAT WILL HAPPEN TO THE ARTICLE(S) SUBMITTED BY ME?

. The in-progress articles remain here for a while -

If you have submitted an article and it is UNDER REVIEW, the review will continue on

<https://www.journalonweb.com/drj>. Once accepted, the article will be migrated to the new website

<https://review.jow.medknow.com>.

If your article is already ACCEPTED, it would be managed here and would be published ultimately.

WHAT ABOUT MY ACCOUNT ON <https://www.journalonweb.com/drj>?

. Your user account on this website remains intact for the next few months until we clear the backlog. Your account is duplicated to the new website if you have an in-progress article.

WHAT IF I DO NOT HAVE ANY ARTICLES CURRENTLY AVAILABLE ON <https://www.journalonweb.com/drj>?

. You are kindly invited to register as an author on our new website <https://review.jow.medknow.com> after selecting the journal Dental Research Journal.

WHAT HAPPENS TO MY "NEW ISSUE ONLINE" EMAIL?

. You are kindly requested to register on <http://www.drjournal.net/signup.asp> to receive eTOC (New issue online) email notifications.

Tech support team,

Wolters Kluwer Medknow
