ACKNOWLEDGEMENT

In doing something, a person needs courage to fulfill his/her desire. When writing this thesis, I have given all the courage that I had to finish it on time. However, the courage did not only come from me but also from the involvement of a lot of people. Therefore, I dedicated these words of thanks to those people.

My greatest gratitude would be for the almighty, Allah SWT for mercies, blessing, protection, and guidance Allah has given into her life. The One and Only God I praise. All of these exist and all things that happened in my life are because of Him. Shalawat and Salam are always dedicated for the greatest Prophet Muhammad SAW.

My special thanks go to Mrs. Noerhayati Ika Putri, M.A., my lecturer and thesis advisor who has given me support and knowledge in doing this research. Thank you for your help and guidance, ma'am in helping me to finish the thesis.

My parents, mama and papa, who always love, pray, take care, and stand by me. Thanks you for believing in me. I hope I can always make you proud.
