ACKNOWLEDGMENT

Alhamdulillah. Finally, this thesis could be done this semester by the writer. First of all, the writer would like to thank to Allah SWT, the Almighty, for the mercy, blessings, spirit, strength and guidance and Muhammad, the prophet for the timeless spiritual support so that the writer can complete this thesis paper. The writer would also like to thank to Mr. Moses Glorino Rumambo Pandin, M. Si., M. Phil. for his time, guidance, patience and encouragement as the thesis advisor which, without his help, this thesis could never be done this semester.

Tons of gratitude would also dedicate to my parents, Ichwan Abdillah and Sriani who always support and pray for me during the process of writing this thesis. I would also thank to my beloved girl, Hanna Karima Husni, S.Psi for coloring my days. The girl who always becomes the source of inspiration, as the source of my spirit, never tired to pray for me and help me to finish this thesis. The last, I would also thank to my beloved friend (too many if I mentioned here) for assisting me with their laugh, love, care, help, and attention in writing this thesis.
