## ACKNOWLEDGEMENTS

Foremost, I would like to express my deepest gratitude to The Beneficent and The Merciful, Allah S.W.T. who always blesses me so that I can face every single challenge in this thesis. Very much appreciation and thanks will be sent to my thesis advisor, Ema Faiza, M.Hum, for the patience, support, and motivation throughout the writing of this thesis. Deep appreciation also extended for the lectures of English Department, Faculty of Humanities, Airlangga University, for the knowledge that shared within the process of my study, especially for Viqi Ardaniah, M.A Linguistics as my academic advisor. It is wonderful to be among of your pupils.

My endless love will always be sent for my family. Ibu dan Ayah, you are the greatest parents I have ever known. Thanks for the prayer, support, and credence for your 'naughty' son. For my brother, you are greatest brother that I ever had. To my ex-girl friend (Novi) thanks a lot for being there when I am down. Then, I would like to say thank you to my friends who always help me to complete this thesis, especially Ilmi, Rafi Andi, Grisca Ayu, Vika, Satwika, Priska, Hilmi, and Ario. The last, thank you to all my friends in the English department, especially in AJ 2012 batch.

Satriyo Wahyuning Gusti
