## ACKNOWLEDGMENT

Alhamdulillah.....First of all, I would like to thank Allah for giving the miracles and strength whenever I need and always lead me to any success in my life.

My gratitude goes to Dra. S.E. Widjajati, M.S as my academic counselor and thesis advisor for her support, help and guidance through the times in English Department, Airlangga University. The same gratitude is also addressed to Lina Puryanti, S.S, M. Hum, Eddy Dwi Riyanto, S.S, M. Hum and Diah Ariani Arimbi, S.S, M.A, PhD for sparing me the times to make this piece of thesis better.

My appreciation is also dedicated to my beloved Mama and Papa. Thank you so much for giving me the faith, love and support to reach my dreams. I promise to keep doing my best to make both of you smile. The same gratitude is also addressed to Mr. and Mrs. Hari Prayitno for giving me their time to share problems and lending me any kinds of books. I would also like to thank Mr. and Mrs. Joko Trihono for the support, pray and advise through the hard times in my life. I can not find the words to express my felling that I am really lucky to be their niece.

To my friends: Milla and Khilmi, thanks for the support and keep reminding me that Allah always watches and gives the helpful hands to people. Thanks to the students of English Department- PMDK class 2003 who always support and make me pleased. Thank you for the unforgettable moments. My thanks also go to my seniors: Dhini and Satiti who are share me their knowledge to advance my thesis.

If you want your life to be more rewarding,  
you have to change the way you think.

I finally realized that being grateful to my  
body was key to giving more love to  
myself.
