ACKNOWLEDGMENTS

Regarding the completeness of this thesis, in this moment, the writer first of all would like to express his gratitude to Allah SWT for His blessing, strength and guidance, that the writer can overcome all of the obstacles that are faced by the writer during creating this research. The writer's huge gratitude to Allah because He gives her joy and the best people that she has ever had.

The writer would like to express huge gratitude to Mrs. Layli Hamidah, S.S, M. Hum, her thesis advisor for her precious time in guiding the writer through the whole process of creating the thesis, for her valuable advice, inputs, criticism, and her beneficial suggestion. Through this page also, the writer would like to ask her an apology for all her ignorance, and delays in conducting this research. Thank you very much for keeping patient when the writer did many mistakes during this thesis writing time, this thesis wouldn't be accomplished without your help. Next, special thanks is dedicated to her academic advisor, Mashita, S.S, M.Hum as who has given her valuable advice about the academic lectures that should be taken throughout the whole semesters. With due respect, the writer would also like to thank the board of lecturers of English Department, Airlangga University for sharing their valuable know ledges.

The writer would also like to thanks awfully to her beloved parents (mami & babe) for their big support (mental & financial) and remarkable prayer which occupy the most important role in my success. Especially, the endless and countless gratitude are delivered to her beloved mother. Thanks you very much for your patience, advice, and support that have been given to me. Thank you for

teaching me about being strong and how to share with other people. You are the best mother and the greatest sort of wonder woman that I have ever had in my life. The huge thanks also for the writer's great sister, Riza Septa Y and her brother in law, M. Nanang, for giving support, advice, prayer, energy and tools to conduct the recording process. And also the writer's big brother, Donnie Y. who gives advice and support implicitly but affect her much. Furthermore, special thanks also delivered to Andri TP as the writer's petit-amie, who always spends time, energy and thought on conducting the whole process of creating the thesis, also for his prayer and spirit. The writer would like to say sorry if along her life she has done uncountable mistakes and made many difficulties for all of you. This thesis is dedicated to you, my beloved closed people, I love you all.

The greatest thank goes for the writer's special friends, Dwi Erma Wati, Niken Citraning A. and Retno Dwi Ristanti who always transfer their inextinguible spirit to the writer, starting from collecting the data until the end of the study, and who also become the best pals when conducting ELPT test, without you all, my days would not be so wonderful! And I wouldn't be this strong.

The writer at last also wants to say huge thanks for Fitri, Nofita, Ruffina and Nana, her beloved friends for giving great moments during the couple of semesters. Although we could not keep together now, you are irreplaceable by others. All of you have taught me the meaning of friendship, and you have ever accepted me as the way I am; a million thanks will never be enough to show how grateful I am. I do hope that our friendship would last forever, thank you.
