## ACKNOWLEDGEMENT

This thesis finished is not only because of my own effort, but also because of Allah SWT for the love and grace that I could live the life I am living now. There are also many people who help and encourage me during the period of writing this thesis.

Thus, I would like to express my appreciation to my thesis advisor, Mr Dadung Ibnu Muktiono, M.C.S, for the endless patience. Through this page, I also want to ask him a deepest apology for my stubbornness, lateness, and delays. I would also like to thank the board of lecturers of English Department for their corrections and advices.

Thus, all the best wishes and my gratitude are dedicated to my family, especially my father, because without his endless patience, understanding, and support, I will not have the courage and willingness to finish this thesis. He taught me how handle the confusing situation, making the best decision, and encourage me to take responsibility of my decision. It may be looks a hard and cold treatment, but believe me, I appreciate it very much. Being my one and only parent I have, he is sure the toughest person to have a daughter like me, who is very picky and over working. He have the tough and wisdom of a father, with the gentleness and care of a mother. I am glad and proud to be his daughter. Also thanks to my aunts and uncles who always support and encourage me to finish this thesis.

Next, I want to say my thanks to my beloved best friends, Lilik, Evy, Yoanita, Nimas, Wina, Reni, and Ninis. I am glad to be your friend. You always support me whenever I feel like I cannot do it anymore, whenever I lost my passion, you are all always there for me. To you all, I give my endless gratitude for the happiness, madness, and sadness we shared. I may not have thousand friends, but for me, a few of friends who can light up my world is better than thousand friends who put me down.

The last, but not least, I want to say thanks to my sisters in Cassiopeia Surabaya, Ayu, Dafa, Deftyan, Denok, Deshinta, Emma, Evi, Reycha, Zha. Thanks for your advices, support, and time either to accompany me working on my thesis or share my doubtful thoughts, your endless scolds whenever I avoid touching my thesis. Then, thanks to the rest of Cassiopeia Surabaya family for such a warm and comfy “home” for me to escape. Also thanks to TVXQ and JYJ for their great works making and sang many beautiful songs, which I always enjoy to listen.

Surabaya,

The Writer
