ACKNOWLEDGEMENT

My foremost gratitude goes to Allah SWT for giving me a life which is full of blessing and also the strength to finish this thesis.

I am also grateful to my thesis advisor, Mr. Moses Glorino Rumambo Pandin, for all the time that he gives in sharing knowledge, references and everything which is very useful. Thank you for the support that often makes me think that I can do it when I am doubting about myself. My gratefulness also goes to all lecturers of the English Department who have shared their knowledge during my education in this college.

The next greatest admiration is for my parents who always respect their children's choice. My gratitude also goes to my brother, Dio, who always makes our home cheerful and amazing. My appreciation is also dedicated to my grandfather and my grandmother who are used to accompany me when I am studying.

My gratitude also goes to all my friends in English Department class of 2010 who fill my days for these four years and also my friends during my childhood until high school who give the unforgettable friendship.
