Dear author!
We have some questions about your article!

Please make a bibliography like in this paper:
<http://st-hum.ru/content/suparno-b-regional-autonomy-aceh-developing-non-violent-way>

It is necessary to point in bibliography page numbers for all cited journal articles.

All paper text type size is 14 pt. It's also applies to schemes.

Please, make a correction of errors, some words are written together:
aspeople, *socialerechtsstaat*, *isstated*, physicallyconflict, *etc.*

I am waiting for the corrected version very soon!

Sincerely yours,
Editor in Chief
