ACKNOWLEDGMENTS

Praise be upon God, the Almighty, who has been giving me power and faith to do this thesis until it is finished on time. The greatest gratitude I give to my savior, my father, and my love Jesus Christ who gives me a chance to know HIM.

This thesis begins with a “Dream, Belief and Effort” to make it happen. My Dream would not happen if I did not believe it and everyone did not believe in me, either. Those people surround me always encourage me to make it happen. Therefore, in this great opportunity, let me say a great gratitude to Drs. Hariawan Adji, S.T.,S.S., M.Kes.,M.Hum as my thesis advisor, who did not mind spending his time discussing and giving me a lot of suggestion, supervision, and encouragement so I can finish my thesis. Moreover, I would like to thanks to Ms. Nurul Fitri Hapsari M.A who always gave me suggestion related to my thesis. I would not be able to finish my thesis without her supervision. Her knowledge that was transferred to me gave a lot of information and kept me “walking” to reach my dream.

Second, I also thank my wonderful Ibu who has raised me until I become who I am right now. Thank you for accepting me for what I am. I am very proud to have a mother like you. I also thank my sister who always gives me support but sometime annoys me, Little Dewa and Rara, who become the light in my family. I also want to say thank you to all of my lecturers in Faculty of Humanities for knowledge that you all have given to me. To Ms Maimumah MA, thank you for

giving me much knowledge and time for sharing. It is glad to know a lecturer like you, Ma'am. To Ma'am Layli Hamida M.Hum, thank you for the times given to me to share many things. And to Mr Deny Kwary PhD, thank you for becoming my seminar advisor. You are very clever sir. It is such a big honor to be your student sir.

Third, I want to say thank you to "Bul-Bul" aka Yudha, my best friend who always stands beside me, supports me, and gives many suggestions, even though sometime we have some quarrel and argument, but we are still close. "Just remember our dream bul, You're gonna go to Venice, and I'm gonna go to Swedish". Big thanks to have the "Gunggungan Gank" well, I guess it still say that. And to Rita as Eko, Delvina as mak kos, Ila, Riska and Ita: Guys, we've been through together along these 4 years. We've been experiencing many memories together. I hope that this friendship will still remain until the death takes us apart.

Fourth, I also say thank to my Tema Rangers, Big Hanum, Medium Big Yungpa, Toni aka Tonce, Adit aka Dita, Anggie aka the galauers, Aline, Najib. Even though there are many fights between us, these fights would not take us apart. I am so blessed for knowing you, guys. Always remember our promises "Netherland together"! To my 2k8, I want to say that we're the most cohesive team ever. Our togetherness for these 4 years will not be forgotten.

Fifth, to my new organization, Gaya Nusantara, which gives me an opportunity to become a part of it. I also thank Opa Dede Oetomo who helps my thesis and HP3 crew: Mami Khanis, Mas Yogi, Mbak Edith, Mas Antok, Mas Sigit and The Geje Team, Mbak Tiwi and Cindy. Guys, I will not let our

friendship apart. It is a great honor to know you. “Geje Team-We always Geje”. I also owe deep gratitude to Bunda Handayani who permits me come to the Persekutuan, and all of my friends in the persekutuan hidup damai dan kudus. There are still many people that I cannot mention one by one. Thank you for love, kind, and opportunity to know you. God Bless you.
