Dear Dr Dasmawati,

Here are all the 13 articles for publication in AOS that have been reviewed and proofread by Guest Editor.

We also attach the list of Editorial Boards and List of Authors.

The Authors will make payment soon after we received the invoice.

Thank you very much for your understanding and consideration.

Sincerely yours,

Meinar Nur Ashrin

Salam Dr Meinar,

I acknowledge all 13 manuscripts have been received. Thank you very much.  
One of the manuscripts by Utmi Armain is in PDF document, may I've in Words Doc?  
We will prepare the invoice as soon as possible.

Salam Dr Meinar,

We're in the production stage for the special issue. We targeted for this coming June however there are few manuscripts still needs to do some corrections.

The payment already received, and I've responded in previous email. The acceptance manuscript I have send before this in general for all manuscripts since this is a special issue.

Thank you.

Best regards,
