First of all, the biggest and endless gratitude always dedicate to Allah SWT. What the writer has done until today is never far from Allah's blessing for the writer along with his parents' prayer for the smooth and successful future. Many obstacles have been passed through, and without the prayer of the writer's parents, this thesis would not be finished on the demanded time. His father especially, his talkativeness in reminding the writer to stop play PC games then started to finish the thesis whenever he calls.

Second largest role in finishing this thesis is the writer's honorable thesis advisor, Masitha A. S, S. S., M. Hum. The writer does not know from where she got so much patience in directing him to complete all task for thesis stuff, thank you very much.

Third but still the most important part of the writer's life is 'ma, he really thank God for having her in his side, in understanding his stubborn, his childlike attitude, and his laziness, she kept supporting the writer in a form of spirit to find a better life after this finished thesis.

Huge thanks also for the writer's best friends, Nuril and Fachrul for the inspiring advices, Fikri, Ismail, Shandy and Dono for the jokes, and the last but not least Purnomo for the internet access.. Thanks guys.

And for Mr. Suherman, the IPIEMS Kapas Krampung manager in pursuing the writer's entire requests for this thesis stuff and allow the writer to prefer education more to everything. The writer could not find any other words
