## ACKNOWLEDGEMENT

Finally, I managed to finish this thesis as a graduation requirement in English Department of Airlangga University. On this occasion, I want to use the opportunity given to me to convey my gratitude to the many people, which has provided great assistance to me during the process of making the thesis.

I thanked the only creator of mankind, Allah SWT, for without his permission, I will not be able to complete this project. My great thanks also to the Great Prophet Muhammad SAW, may the mercy for Them will never stop for good.

I will give my first thanks to both of my parents, who never cease to always give encouragement to me, both in the best and worst of my condition. They are the only people who always accompany me, and without their great moral support, it would be impossible to me to finish this thesis. I also give the thesis to them, as one of proof that I finally managed to complete what should be done. Also for my sisters; thank you very much with your detailed work; you guys are always nice and a great happiness in my life.

To my thesis advisor, Bunda Cici, I cannot say much for all the support and assistance that has been given to me. Without her, I would have lost my way in completing the thesis. I hope we will meet very soon and having another quality time in the near future.

A very special big thanks will be dedicated my best girlfriend and partner ever, Rena Restya Adelia, who was always be patient with me in all sorts of difficulties and happy memories. Finally, the new story will begin from today; I promise it will be different, and it would grow up to a whole new level.

Thanks also to my campus' friends, which together always trading many help and mutual support: Christian 'Vicky' Aponno, Denny 'Genjurz' Kurniawan, Raden Awan, Billy my man, Rizky Narendra, Agung Nalendra, Bruariwan 'Stifler'; good friend will always help their friend's life, like all of you guys who always been a help for me.

My everlasting best friend, never forget that I present my sincere gratitude to you all: Simon, Allan, Bantenk, Ryan, Virdis. You are one of the best moments in my wonderful life. May God always bestow His blessings to you all.

My best 'Deltasari Gang': Juned, Made, Sulton; finally guys, I really made it this time. We should start to build our previous plan later, since we all finally free from all tasks and obligations in education, at least for now.

For my partner in crime, Erisa 'Sapi' Nandatami, according to your request, I put your name here and a special paragraph just for you. May you find what you want to pursue and grab as soon as possible, and hopefully get a great lovey-dovey story later, which know and understand you perfectly.

Also to my stress reliever partner: Isti, Ismi, Tata, Ayu, Sandy, Widi, and the whole gang, I wish that we could know each other sooner. But the times with you guys will always be nice and will be a good memory for me. I hope you reach what you dreamt of someday.

I will not cease to convey my gratitude and thanks to every people I know. I apologize to everyone for incompatibility that I cannot mention every person, one by one precisely, but I still would continue to thank all of you.

Hopefully this work can provide many benefits to all of the readers, and pushed more inspiration and ide of making something better in future. Even though this thesis is far from perfect; I always pray that every people may get a good advantage and benefit from my work.

June 2011,

Writer
