## ACKNOWLEDGEMENT

The paths of my life, if I look back, there are thousand steps of people who enrich me. Moreover, I believe there will be more ahead. My life, my drawing paper, is beautifully painted by many people with their magical pencils. For those splendid people, now I take my hat off, respectfully deliver my gratitude.

Alhamdulillah, finally I can finish writing this thesis. Firstly, I would like to thank to Allah SWT for the blessing and guidance in writing this thesis. Secondly, I would like to thank to my Lovely thesis advisor, Mrs. Christinawati. Thank you for the patience, caring, and giving brilliant solutions that have revived me when I feel lost during working this thesis.

I also deliver my gratitude to my family; my Dad, this thesis is for you. My Mom, thanks for all the prayer and support. And my sister, Mbak Dian, thanks for the scolding, but it supports me. Then, I would like to thank to all of my best lecturers in English Department who have helped me when I need advices.

To my MAGIC-al girls, BVRGS (Sheila, Didi, Evie, Amanda, Firda), thanks for still being my best friends for almost five years. I do really miss our silly, awkward, and happiness moments with all of you. Also, my dearest Monkey, Hanny Larasati. And my childhood-friends, Westy and Ninis. You all are awesome.

And the unforgettable meeting with this person brings all of the joys of my life, mas Arizal Triadiyatma. Thanks for the times, spirit, support, and chances you gave to me, there is nobody could be like you since I live my life so far, thanks for coloring my days.

And for all of the people that I cannot mention one by one, thanks a lot.

*Active Evil is Better  
Than Passive Good  
- William Blake*
