ACKNOWLEDGEMENTS

Alhamdulillah, I could finish this thesis on time. I express my gratitude to ALLAH SWT for the best blessing and guidance, particularly, during the writing process of this thesis. I believe that without HIS help, I would not have been able to accomplish this thesis.

I indebted to my thesis advisor, Deny Arnos Kwary, Ph.D, who has helped me in writing this thesis with his supervision, advice, and support. He has given his time and guided me patiently which is very helpful for me. I also would like to say a lot of thank to all the lecturers in Department of English, Faculty of Humanity, Airlangga University who have taught me until I can do my thesis.

My thanks also to my father for his support, patience, also suggestion when i felt desperate in doing this thesis; to my mother, for the “words” that you said to me everyday, for your patience, for your “tomato juices” every morning that makes me healthy until today. I am so lucky to have my father and mother in my life, without you I am nothing and I love you all more than anything. I would like to thank my boyfriend, Rangga P. Putera for his affection and motivation. He makes me believe that I must have accomplished this thesis well.

I also would like to say thanks to the girls: Wenny, Irene, bebz Taruli, mbak Ucik, mbak Ajeng, mbak Anggri and mbak Maria who support me everyday. Thanks to Easy Speak: Bu dwi, mbak Ratih, Bu Dina, Ms. Leli for their motivation and prayer. Particularly, thanks to Bu dwi as my second mother who always keep motivating and guiding me. I love you, Bu dwi.
