Comments to Author

1. Please do not put abbreviation for ASEAN. Write the complete words of what it stands for and then write (ASEAN hereafter).
2. The title does not seem to say the research well. Perhaps it could be stated like "Students' Perceptions on the Policy to Increase the Price of Cigarettes."
3. Please define clearly on what is considered as "good" or "bad" attitude. Additionally, please also define more clearly the terms "behavior control." Give examples in your explanation.
4. Please write Universitas Airlangga (NOT Airlangga University) in any language.
5. Put year after stating a study you referenced. Thabrany (2016)...
