Dear Sonny Fadli, MD

Thank you for submitting your revised manuscript entitled **"The Correlation Between Clinical Characteristics and Progression-Free Survival, 3-Years Survival in Epithelial Ovarian Cancer Patients Who Underwent Surgery in 2016-2017 at RSUD dr. Soetomo"**. The editorial team and a group of expert reviewers have assessed your submission and feel that it has a potential for publication. So we would like to invite you to revise the manuscript and resubmit for further review.

The reviewer(s) comments for the author(s), is included as an attached file to this mail. Please revise your manuscript accordingly and reply to the reviewer(s) comments in a separate file (a txt, doc, or pdf file). In the reply template file, provide details about the changes you made to the manuscript (refer to section and paragraph that you made changes in the revised manuscript).

Please upload the revised manuscript, and reply template file to the journal website by login to your account, or if you have any difficulties you can directly send the files to the email admin@indonesianjournalofcancer.or.id.

For the timely and orderly processing of your manuscript, please upload your files within 14 days from the date you receive this mail. If you need more times please send a request so that editorial staff can extend the time for you.

Once again, thank you for submitting your manuscript to this journal and we look forward to receiving your revision.
