## ACKNOWLEDGEMENTS

Alhamdulillahirobbil'alamin, all of praises are to be with Allah who gives me blessing in my life especially during the process of writing this thesis. I believe that all of my efforts cannot support me alone in finishing this thesis without spirit, health, and patient which Allah gives me.

I would like to say my deepest thank to my thesis advisor, Mrs. Masitha A. S., M. Hum. Thank you for your time reading my thesis and giving me feedback and also suggestion to make my thesis readable. I would also thank to all of lectures in English Department of Universitas Airlangga for all of knowledge you shared with me. Hopefully it will be beneficial and useful for my life and also people around me.

I never forget to say thank you very much to Bu Iwan and Mbak Ely who allowed me to come to their house whenever I could in order to collect the data. Thank you for your help during the time of data collection. For little Marel and Fathir, it is great to play with you. Thank you for being a good girl and a good boy.

I would give my great appreciation to my beloved parents for their understanding, praying, and supporting. Thank you for all of facilities you gave me. Thank you for loves that I cannot also give as much as you can give me. I will also never forget to say thank you to my sisters and brothers, Mbak Hida, tete A, tete I, and amy Fahim. You are the best thing I have.

My next gratitude is given to my best friend Aida and Siska who always give me help and support since I met them. I believe that we will miss the time

when we were struggle together in Universitas Airlangga. I can say nothing but thank you for you two. I am really grateful to be your friend. I also say thank you to all of my friends 2K10 for the time we spend together in English department. Silvina, Anggita, and Pramita, thanks for our togetherness. Thanks for being my family in Surabaya.
