Dear Dr. Rizqiawan,

With reference to your manuscript entitled 'Recombinant Protein Galectin-1 Exposure To OM-1 Cell Proliferation', please review the comments of the referees from our site <http://www.journalonweb.com/jioh>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments, clearly indicating the areas where the changes have been made. Do check the FAQ related to responding to the comments and uploading a revised file. The contributors' form/images should be sent separately to the Administrative Office of the journal.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Journal of International Oral Health.

With warm personal regards,

...
