Dear BIMJ,

there are some corrections in the manuscript:

1. Purwoyudho IGPS. (Not I Gusti Putra S),
2. Department of Anatomy, Histology & Pharmacology, Faculty of Medicine, Universitas Airlangga, Indonesia. (In the 2nd affiliation, and in the correspondence affiliation),

ensure these are correct. If you find any errors or mistakes, please email back to us with the suggested corrections as soon as possible so as not to delay release of the article. Please note that the manuscript would have undergone an editorial board review prior to sending for proof editing and hence changes may have been made to the article in order to fit the proof editing process. Please acknowledge acceptance of any amendments made during proof editing when you approve of the galley proof. Please also submit a signed copyright transfer form if you have not done so already. Thank you. We look forward to your reply.

Sincerely,  
BIMJ Secretariat
