## ACKNOWLEDGEMENTS

First of all, I would like to say my huge gratitude to Allah SWT who always be my spirit when I want to give up to do this thesis. You are the only God whom I love and believed. You are the only one who can make this happen. My faith of you will never last. You have given the strength for any obstacle in my life. Thank you for everything.

This thesis will never be accomplished without the help of my thesis advisor, Mrs. Nur Wulan. Thank you for your tremendous suggestion and advice. Thank you for making me critical toward anything and your patience during the process of writing this thesis. I would also like to thank to my thesis examiners: Drs. Sumitro, M.M. and Arum Budiastuti, S.S., M.C.S. and to the rest of lecturers of Airlangga University for their guidance and knowledge for all these times. There are a lot of people to thank. Without them this thesis will only be a piece of meaningless work, instead of meaningful experience.

To my parents mama and papa, I would like to thank my mother, maybe she is not the greatest mom on earth, but definitely she is the best mom I have ever had. And, I dedicate this to my father who has been very supporting all this time. My endless gratitude goes to my parents for always support me in every decision that I take. Also I want to thank my younger sister, Novi for her annoyance. Also thank you for Doni, my boyfriend to give his best support to me. You are the mood-booster to do this thesis.

Thank you to Intan, vemma, sandhy, ai, novita, ega, vera, ismi who always accompany me and being my friends in English Department for four years, AIESEC EB's (Spartabaya) Reza, Dianti, Eka, Eki, Anton, Anti, Herdi, Mitha, my managers Dimas, Zakarizal, Shari and AIESEC members, My high school best friends ita, reci, lita, tina, and my KKN mates to accompany me in the hardest time. There are still names to thank because without this people I would not have great college years. Thank you to the rest of the students in 2008 year. Never Walk Alone.
