## ACKNOWLEDGMENT

*Bismillahirrohmanirrohim...*

I dedicate my greatest gratitude to Allah S.W.T, Rabb of all creatures in the world, for giving me a chance to live and never stops giving me bliss ever since I was born till now. You are the one and only survivor when the things go wrong. You give everything that I need but not what I want. Praise and peace be upon Muhammad, the messenger that brings us from darkness to light

This thesis will never be accomplished without the help of my thesis advisor, Dra. S.E. Widjajati, M.S. Thank you for giving me critics toward my grammatical error and sorry for annoying you in that way. Thanks for your tremendous aid and advice. My gratitude also goes to Lina Puryanti, S.S, M.hum, as my academic advisor. You have given me a suggestion and advice in every semester I take. I would also like to thank the rest of lecturers of English Department in Airlangga University for their guidance and knowledge for all these time.

My biggest gratitude goes to my parents. My thesis will never be accomplished if there is no support, love, and bliss from them. Thanks to my mother, ummi. To my late father, abbi may Allah give His mercy in your 'new world' and may rest in peace. My gratitude is also dedicated to my brothers and my grandpa who have supported me. Next, I would like to give my special thanks to my wonderful friends for years. Last but not least, I thank all my friends in SKI and my college mates in English Department of 2004 Airlangga University for sharing many moments and experience together. Thank you for everything.
