ACKNOWLEDGEMENTS

Alhamdulillah...thank you for my beloved Allah SWT for guiding me to finish my thesis. Without You, I cannot pass one of the hardest parts of my life. Writing and finishing this thesis were utmost moments for me, but when I'm with You, everything that seemed impossible could be possible. When there is a will, there is a way.

I would like to thank my thesis advisor, Miss Salimah. Thank you very much for everything. I owe you so much. Thank you for helping me in doing my thesis when I was stuck with my brain. Besides, your criticisms and your fussiness are helpful for me to improve my thoughts in writing this thesis.

A special gratitude for my mama, maybe I never show my love directly to you, but implicitly, I love you so much. You are my everything. Thank you for your support and your prayer. Bapak, you are a great father for me. Your patience is so unbelievable. Thank you for your prayer and supports. My dearest sister and brother, mbak ayuk, on hayu, om puput, my lovely niece, mbak geng and dik aya who always give me smile when I was at home.

To all of my second family in my boarding house: Mbak deci and Mama Kalidami. Thank you for your kindness, for the laugh, for the prayer, for the crazy moments. Many thanks to Om Taji, Ibuk and all of my relatives who share their love and affection for me in their lovely house. Special thanks to my heart beating wherever you are. Although we never know what will happen tomorrow, but it has been exciting so far. Even I don't have a good card, but I want to be a good player and prayer.

To all of the “Not-not” members: Junot, Lindot, and Nitnot.. Subhanallah...for the friendship. Thank you for the good and bad times. I’m sorry for my mistakes. Thank you for supporting each other. For all of my friends, mas Nova, Ninung, Fain, Hakim, keep fighting, dear. Thank you for believing in me all these times.

The last is for all of my friends AJ and my new friends in _egular who gives me support and laugh. Thank you for all the jokes. It’s a luck for having friends like you all and the fun of knowing various people from all over the world.
