## ACKNOWLEDGMENT

I would like to express my first and foremost gratitude to the Almighty God Allah SWT who continuously blesses, protects, guides and give HIS immense gifts for me to make all the things possible for me.

Secondly, sholawat and salam always be dedicated to My Greatest hero in My life, My Prophet Muhammad SAW who have struggled to bring his followers into a brighter life and future through Islam.

The earnest and heartiest gratitude are established to my beloved parents and also my closest friends, Ima, Roslina, and Ajeng who always pray every day and give their best support. They do not feel tired to motivate and give their truly love. We have been passed these years with the happiest memorize.

I am deeply indebted to my thesis advisor, Salimah, M.Ed., whose help stimulating suggestions and encouragement helped me in all the time of research and writing of this thesis. My special thank is also dedicated to my academic advisor, S.E. Widjajati. The other gratitude flows to all lecturers in English department of their guidance during the process of learning in this faculty.

My appreciation is also extended to Ms Rahmah the English teacher at SD Muhammadiyah 16 Surabaya who gave me permission to conduct the research at her English Course.

My great gratitude is also dedicated to my Great Family who has taught me about the meaning of life. Now I know that life is a series of experiences, each one of which makes us bigger, even though sometimes it is hard to realize this. For the world was built to develop character, and we must learn that the setbacks and grief which we endure help us in our march onward.

The last, I thank you, dearest friend of mine—Ima, Roslina, and Ajeng, for all your love and prayers, I know you are God's gift to me, as proof He really cares. I hope that our friendship and brotherhood would last forever, thank you very much. For all my friends in English Department 2007, thanks for everything. Love you all. Congratulation class of 2007!

## Epigraph

Verily never will Allah change the condition of people  
until they change it themselves (with their own souls).

(Ar-Ra'd : 11)

Know that you are yourself a miracle. And believe you can  
make a miracle happen—by thinking, praying, believing,  
working and helping people.
