ACKNOWLEDGEMENT

First of all, I would like to say Alhamdulillah and thanks to Allah SWT, the almighty, for the blessings, spirit, strength and guidance and Muhammad prophet for the timeless spiritual support so that I can complete this thesis paper. I would also like to thank Mrs. Yulia Indarti, M. A. for her time, guidance, patience and encouragement as the thesis advisor which, without her help, this thesis paper could never be done this semester.

Tons of gratitude would also dedicate to my beloved Abi and Umi who always support and pray for me during the process of writing this thesis. A great appreciation also dedicates to all my sisters, brother, all of my nephew and nieces for their contribution, advice and support that have been given to me; thank you so much. I would also thank to my beloved friends, Amirah Arby, Nimas Nastiti, Mirza Fathima, and Tita for assisting me with their laugh, love, care, help, and attention in writing this thesis; especially for Tita, I can not finish this thesis without your help at that time (but remember you have to finish yours also haha). I hope our friendship will last forever, Amin.

Bunch of thanks also dedicate to epong, uyung, laili, konita and inot who have given support and cheerfulness during the consultation of this thesis; I will miss that moment. And the last but not least, to all of my friends in English Department 2k10 which I can not mention one by one, thank you so much for the togetherness since four years ago; our togetherness means anything guys.
