ACKNOWLEDGEMENTS

First, I will give a big thank you to only God, because his bless I can finish my thesis as a final assignment for degree in Airlangga University. Second, I will say thank you too for my husband and my parents that support me when I working this paper. I know because them I can finish it.

Third, I will give thank you for Mrs.Ema Faiza as my mentor that gives my advice for finish this final assignment. Because of her, I can learn much how to working and finish this thesis. I believe that she gives it, to increase my knowledge and to help me to finish my assignment. This assignment will give me experience how to make this with good. So, it can will useful for my future, especially for others who read my work.

Last but not least, I will say thank you to my boss too. Because he gives me a lot permission for escape works to finish my school in Airlangga University. About all, I also believe that “Not that there’s no cracks ivory“, there is too much wrongness of this paper. Hopefully the lack of it can be used as reference to achieve perfection.
