ACKNOWLEDGEMENT

Alhamdulillah, with the name of My Lord I afford to finish my thesis. I should like to offer thanks to the following for the support I have received over the period of this thesis development: Mr. Puguh Budi Susetiyo, my thesis advisor, whose encouragement and shared interest in the field has always provided me with reasons for continuing when the task seemed without end, my beloved mother who always gives me advices and asks me when she would get the invitation for my graduation ceremony, my father who always reminds me to give the best in everything I do, for my sister and brother, thanks a lot for your jokes that make me fresh enough to finish it, and especially I would like to thank Aryo for his many kindnesses over the years.
