ACKNOWLEDGEMENT

The writer would like to thank Alloh SWT because of His mercy and His guidance that I am able to finish this thesis. Even though there is not a few obstacle but Alhamdulillahirobillalamin that I am able to overcome with struggles, strong willing and tears. I also would like to thank my thesis advisor Bapak Lastiko Endi who patiently guides me in writing this thesis. Even though he is sometimes a kind of sharp tongue person but he is so fully responsible for his students. For Bu Arum, I would like to thank her a bunch because she always helps and gives helpful suggestions to me. I also would like to thank the nice lecturer, Pak Dadung, who always helps me with his books. And I would not never forget to thank Bu Diah that always helps and guides me in writing this thesis. I do really admire with this lecturer because beside smart, she is also assertive, modest, calm but undoubtable. I also would like to thank Bu Wulan, a large-hearted lecturer, who always helps and lectures me. What a kind lecturer she is because she always helps her students who have problems either about lecture or family. I do agree with many students who calls Bu Dewi as fairy godmother because her heart is as beauty as her face that she is always there for her students and eases students who are doing their thesis.

For my late father...if only you were here...you must be proud to see you daughter that is able to stand on her own feet and enter the Airlangga University that you dreamt about. I do always remember to your message that to never leave for praying sholat and reading Qur'an as a provision when Dad was going to head

the Almighty Alloh. For my beloved mother, thanks for the prayers in anything that I also always pray for Mom to be given long life and health. To my imam, Asto Aji Wibowo, it is not enough to only say my gratitude. As a husband, you are so patient to teach me everything about the meaning of life. You always pray me in each of your sholat that I can graduate sooner. You do always encourage me to not be lazy in writing my thesis and you are so fully a responsible person upon me and your son. For Elscant, my handsome gindud that always disturbs mommy every time, mom does love you and your sibling in mom's womb.

For my elder sisters, Mbak Fika, Mbak Aan and Mas Hendra, thanks for your nagging that always fuss me to finish my study. There is no day without your nagging and fussy utterances. For my parents in law and my big family, thanks for the prayers. For my beloved friends, Vanny, Rere, Mbak Prita, Reni, Yoanita, Ajeng, Trisha, Mikek, Fitri mpyth, Meyza, thanks for you availability that I can bother everything about this thesis and thanks for your support that I can be spirited and never to give up.
