## ACKNOWLEDGEMENT

Alhamdulillah finally I can accomplish my final assignment. Most of all, I want to thanks to Allah SWT that always be there whenever I need, for all great blesses and guidance that had been given to me until now.

Next and foremost I offer my gratitude to my thesis Advisor Drs. Jurianto, M.ed. who has supported me throughout my thesis with his patience and knowledge whilst allowing me the room to work in my own way. I attribute the level of my S1 degree to his encouragement and effort. Without him, this thesis would not have been completed or written. One simply could not wish for a better or friendlier thesis advisor.

Others are my parents and my family member. They are people who spent most time with me, especially during my thesis writing. Thank you for all the support and love you gave. And also to my entire best friend in letters faculty, Rica, Ica, Zaenab and the most of all “Oyiek” thank you so much for all the unforgettable spirit and trust that you gave to me. One reason I’ve finally make this come true is you (my friends). Truly, thank you so much for the correction, Bunga, thank you for still keep in touch with me.
