## Acknowledgement

My first sincere gratitude goes to ALLAH, the Almighty, for his blessings, generosity, and favor in giving me faith, strength, patience, and ability to finish my thesis soon.

I would like to give my appreciation to my thesis advisor, Mr. Jurianto. I am much obligated for his excellent guidance, input, support, useful advice and understanding that make me able to do my best to finish this thesis. I am glad to say that he knows when to guide, how to guide, and how much to guide.

Special gratitude goes to all lectures of the English Department, Faculty of letters Airlangga University, for their guidance during the academic years.

My greatest appreciation goes to my beloved parents. Words would never be enough to explain what they mean to me and how much I thank. Their constant love, prayers and support are priceless; I could never repay for all they have done for me. I love them so much, although I often make them disappointed.

For my 'Karangwismo' friends (Enok 'KD', Dee2, Fiqoh, Tita, Lia, Presty, Qprik, ika 'ndut', Erna) thank for their help with giving me

pulse. Thanks for Mr. nice guy 'Firman', my beloved sister 'Dian', Melynda and platuk family to help me in writing this thesis until I can collect as final project. For my close friends (Nad2, Silvi, Rindank, Mami Tieas, Sofi, Distia, Nunung chan, Rica, Wardah, Nona 'koplek' and Yudi) thank for cheering me up when I'm getting bored. To Daniel, I really appreciate all of his sacrifice and hopefully I can return all the favors. To all the PMDK'03 students, thanks for being such nice friends, all the help and support

Finally, I'm really grateful to someone who has changed me into what I'm today. Thanks for being so understanding me and thanks for giving me great confidence, affection, support, and being so incredibly understanding. I'll always appreciate those; life seems so bright and funny with him.
