ACKNOWLEDGMENT

First of all, Alhamdulillahirobbil ‘alamiin. All praise go to Allah SWT who never leaves me and always be there when I did not know where else to turn, who gives me tremendous love, charity, also strength and ability so that I could finally accomplish this thesis. Writing this thesis is surely a life altering experiences to me. I had my lowest low and highest high during the process, but in the end I find myself grow more mature compare to where I started, as I experience loss and also discover many things that I am capable at doing and feeling.

I would like to give my deepest appreciation to my thesis advisor, Amir Fatah, Drs., M.Hum., for his detailed critical comments and suggestions. To my head office on PINLABS, Layli Hamida, S.S., M. Hum. for being so kind and who have given permission during the thesis work. Also to Binti Muawanah, S.S., and Mukhlashul Fashikh, S.S., for the opinion, advice, proofread and discussion during the completion of my thesis.

My foremost gratitude would be for my beloved parents, Kholil Khozin and Atawa Saudah, for the never ending love, hope and pray, you’ve been encourage me to do best, my oldest sister Ni’mal Baroya for being there and being you, my big family in Bungah Gresik for the ongoing care and support. Also for Yudha Indrawan, for always know how to make me feel so much better, and last but not least, my friends on PINLABS for the togetherness and understanding.

The special part would be dedicated to all my friend of Alih Jalur 2007 for putting me so much energy into helping me this far. It has been a great time, guys. Thank you so much!.
