Ref.: Ms. No. IJOO-D-18-00190
The Association of Reactive Oxygen Species Levels on Noise Induced Hearing Loss of High Risk Workers in Dr. Soetomo General Hospital Surabaya, Indonesia
Indian Journal of Otolaryngology and Head & Neck Surgery

Dear DR Purnami,

I am pleased to tell you that your work has now been accepted for publication in Indian Journal of Otolaryngology and Head & Neck Surgery.

Thank you for submitting your work to this journal.

You will soon receive an e-mail from Springer production team. Please respond to this e-mail in the timely manner to help us process your manuscript to the next stage. Please note that the article will be processed and the proofs be sent to you only after we receive your responses to this e-mail. If you have any queries on the same please contact the editor.

With kind regards

L.N. Namdev
Editor-in-Chief
Indian Journal of Otolaryngology and Head & Neck Surgery

COMMENTS TO THE AUTHOR:

Reviewer #1: A good attempt to profile the relative impact of external noise and the study results

 Springer Alert

Online First: your article is published

2018-07-31

Congratulations

Dear Author,

We are pleased to inform you that your article has just been published:

Title 

The Association of Reactive Oxygen Species Levels on
Noise Induced Hearing Loss of High Risk Workers in
Dr. Soetomo General Hospital Surabaya, Indonesia

Journal

Indian Journal of Otolaryngology and Head & Neck
Surgery, (), 1-4

DOI

10.1007/s12070-018-1460-y

Your article is available as 'Online First':

<http://link.springer.com/article/10.1007/s12070-018-1460-y>

It is fully accessible to all users at libraries and institutions that have purchased a SpringerLink license. If your article is published under one of our Open Access programs, it will be freely accessible to any user.

Announce Your Publication

We encourage you to forward this email to your co-authors. Additionally we recommend you mention your article's publication and its DOI on your website or your social media profiles. The article's SpringerLink page features easy-to-use "share" buttons for popular social media channels as well as the real-time display of your article's citations and social shares.

Citation Information

Your article can be cited by its DOI 10.1007/s12070-018-1460-y in the following form:

Author, Journal Title, Year, DOI

We will notify you once your article is assigned to a specific journal issue, completed production and a new, paginated e-Offprint with the final cover of the respective issue will be available to you as a free PDF-download.

After that any additional (printed) offprints or posters you might have ordered will be shipped to you.

Springer Nature also offers a service to create professional short animated videos – [click here](#) to find out more.

Thank you again for publishing with Springer. We look forward to your future contributions!

Best regards,

Heinz Weinheimer
Managing Director Springer Research Group

PS: For your next article we encourage you to register for an ORCID iD, a unique and internationally recognized identifier that attaches your identity to your research work, such as your articles and their citations. More on ORCID benefits at orcid.org.
