ACKNOWLEDGEMENTS

Not forget to praise Allah SWT for always giving me patience, faith, spirit, and energy to finish my work and Prophet Muhammad. The very first people I would like to thank is my Mother. Thank you for giving me understanding and support during the making of my thesis. My gratitude is also for my little sister and little brother. My deepest and unlimited gratitude to Pintu Rumah cafe which I always sit from the evening to the next morning for doing my thesis. Thanks to Mas Jaya, Mas Gita, Mas Abenk, Mas Ciko who make the warm place for me to share everything included my problem during thesis. I will not forget the support and help you gave me not only as a motivator, but also as a good friend of mine in the four years, Deri, Anggit, Mika, Dila, Fita, Jupe, Devany, Dina, Tyas, Rani, Azmi, Aya, and all my friends in EDSA 2011. My barista's friends who always meet me almost every days: Samid, Bagus, Fardan, Billy, Arvin, Dedy, you truly give a meaning of what the life is.

My deepest gratitude is also for Mr. Gesang who has helped me a lot of times from the thesis proposal evaluation, kindly being my thesis advisor, and guiding me in every aspect of my thesis. Thank you for the time and lesson that you gave me and I deeply apologize for my slow work. I hope the result will not disappoint you.

I also would like to give thanks to WANI48 for helping me to conduct the data for my research. Thank you to all my friends in English Department who have supported me even just by saying "Keep the spirit!" and "Good luck!". I

hope all the best for your thesis too, and thank you for the people who give me prayers and supports.
