## ACKNOWLEDGEMENT

No single word can express my grateful except *alhamdulillah* *rabbi* *'alamin*. All praises in favour of Allah SWT. Only by his mercy I can finish this study.

A great thankful for my thesis advisor, Bu Diah, thank you for your great advices, kindness and patience. I was your clumsy student in doing research (two semesters). Thank you for your support. You have convinced me that I must finish this study before the deadline when I almost give up.

To my parents, I am speechless. I can not describe my thankful to God for having incredible parents like you. And to my little brother and sister (Edi and Rizka), I'm sorry I can't be a good sister for you.

I would like to thank to my colleagues in the affiliations where I learn and share. The big family of LPM SITUS Fakultas Sastra; Fain, Nova, Iik, Mayax, Rita, Punkaz, Mas Arif, Catur, Mbak Ary, Mbak Amy, Mbak Ina, Vidi, and the rest SITUSers. I am always proud wearing the almamater jacket of SITUS. Unfortunately, I lost it. Then, to the big family of PC IPPNU Surabaya; Mbak Sul, Mbak Ucik, Mbak Evi, Mbak Ely, Anik, Ilmi, and Nunun. Wonder woman is reflected on you. Keep on struggling!

To my friends in Friendster, I use your profiles for the sake of this study. Thank you so much. I wish you never feel vexed because I explore and exploit your identities.

Many thanks to my wonderful bestfriends; Atha, Bun<sup>2</sup>, Elyl, Vera, Uky, Yudi, and Resty. Thank you for sharing happiness and sadness so far. Everyday be with you is a wonderful day. And also to all my friends in English Department grade of 2003 (regular and PMDK), thank you for the togetherness during study at Airlangga University.

Special thanks to Maz Aris. A word *thank* is not enough for the time, attentions, and kindness you have given to me. Because of you my life has changed.

Last but not least, thanks to the night, the sun, the morning, the wind, the star, the rain, and my hometown, Surabaya. You are my inspirations. The nature signs that make me could understand the meaning of life. Thank you for all.
